How You Bless Our Lives

Key of G

```
G                    C          D
How You bless our lives Lord God
                  G          Em
How You fill our lives Lord God
                  C    D         G
I simply want to say I love You Lord
 G7               C    D
I simply want to say I bless You
                  G      Em
I simply want to say I adore You
                Am        D         Gsus   G
And I want to lift Your name even highe  r
```
