Love Come Down

Key of G

North Point Insideout

Verse 1:

```
  G                   D          Em
I once was blind I could not see
C           G         D
Chains of sin had shackled me
     G                   D          Em
But God in heaven heard my plea
```

Pre-Chorus:

```
C       G       D         G
Jesus, Jesus rescued me
C       G       D         G
Jesus, Jesus rescued me
```

Chorus:

```
       C       G              D           Em
I will sing forever of your love come down
           C         G                    D
With my hands to heaven shout your praises loud
        C       G                    D          Em
I was lost in darkness when you pulled me out
       C       G              D                G
I will sing forever of your love come down
```

Interlude:

```
C     G     D      Em     C      G     D     G
```

Verse 2:

G D Em
Now grace so sweet it floods my soul
C G D
And hope eternal wont let go
G D Em
Me debt erased at Calvary

Verse 3:

G D Em
There's a home beyond the sky
C G D
A song we'll sing for all of time
G D Em
The grave is empty I am free
