The Heavens Must Roll Back

Key of Em

Paul Wilbur

```
      Em                                                F
The heav – ens must roll back as people of faith arise
       C                                          B7
de - claring the authority we have in Yeshua's name;
         Em                                  F
De – monic forces bow, devil stand aside,
C    B7    G  C    B7  G       B7
you have no pow'r,    you're finished, finished!
